

NSI RFP Standard Template 1.0

Conformance Statement

*Note to submitter: This form contains a series of questions that need to be answered. Please complete **ALL** the fields in the questionnaire below to produce a conformance statement for your Request for Proposal document. Your completed form should be submitted to the Certification and Verification Authority when you register for verification. Please ensure that you use the current version of the questionnaire (available on the certification/verification web site) for your submission. See the Guide to the NSI Certification and Verification Program and Guide Supplements for more information. Please note that all information in this conformance statement will appear on the public register of verified practices. Revision History showing the changes in this Conformance Statement from prior versions is contained at the end of this document.*

2. Request for Proposal Information

Please enter information to uniquely describe the Request for Proposal (RFP) document subject to verification. The purpose of this section is to enable one to determine whether a particular RFP document is one that has been verified by matching identifying information on the document itself to the verification records.

Identifier

This unique identifier for the Request for Proposal document was specified when the RFP was registered for verification and should be consistent with the way the RFP is referred to in official communications.

Title

If the Request for Proposal document contains a title, please enter it here. (Optional)

Date

If applicable, please enter the target publication date for the Request for Proposal document. This is typically a month and year. (Optional)

Purpose

Please describe the purpose of this for Proposal in terms of the types of products and/or services to be procured.

3. Best Practice Implementation

In addition to meeting all of the mandatory "Must" requirements in the Best Practice, your Organization is required to support all of the "Should" requirements in which the Practitioner is identified as "Lottery" in Appendix A of the RFP Standard Template Best Practice, or else provide a rationale for why your Organization did not follow the recommendation. In the latter case, please select the relevant requirement and supply your rationale in the box beneath it explaining what your Organization did instead. Menu items contain the initial portion of the actual text of the requirement, as fully specified in Appendix A, Requirements Checklist.
