LABEL FOR LOGO

TOGAF 8 PROFESSIONAL SERVICES

When this logo is used on, or in relation to, a product registered as conformant to this Product Standard, it must be accompanied by an attribution, in the form defined in the *TOGAF Certification Agreement*, which includes the TOGAF 8 PROFESSIONAL SERVICES Product Standard name.

DESCRIPTION

The TOGAF 8 PROFESSIONAL SERVICES Product Standard is for professional services offered in support of The Open Group Architecture Framework (TOGAF), Version 8¹, to ensure that organizations offering such services abide by an approved Code of Practice, and use only properly trained architects for such services.

It defines the nature of professional services that may be offered in association with TOGAF Version 8. In so doing, it references a Code of Practice² to which service providers must adhere.

CONFORMANCE REQUIREMENTS

In order to submit an application for certification to the TOGAF 8 PROFESSIONAL SERVICES Product Standard, the applicant must:

- Have a current commercial license for TOGAF Version 8.1
- Agree to abide by the TOGAF 8 Code of Practice
- Commit to use of TOGAF 8 CERTIFIED³ practitioners in provision of professional services registered to the TOGAF 8 PROFESSIONAL SERVICES Product Standard.
- Have a training policy for its TOGAF 8 CERTIFIED practitioners
- Maintain a register with The Open Group of the names of all personnel currently providing the TOGAF 8 professional services
