Please identify the product name and version for each Product Standard.

The product name must match that used in supporting documentation. Also, for each Product Standard, please identify the hardware/software environment within which the Standards of Quality as defined in the Agreement are met. The description should be sufficient to distinguish the system (or binary-compatible family of systems) from other non-identical systems or families with the same brand name and should match with the description used in supporting documentation. The wording should be as you wish it to appear on the Certificate and Register.

This Product Registration Form is part of the Trademark License Agreement (January 1998, The Agreement) and all products registered on this form are subject to the terms and conditions of that Agreement.

The Licensee hereby applies to The Open Group in accordance with the Agreement:

- previously entered into by the Licensee, License number _____
- or:
- the application for which is being simultaneously made on the enclosed Application Form.
(Delete as necessary)

The Licensee warrants and represents that the Products to be registered comply with the Standards of Quality as defined in the Agreement.

The Licensee notes that Registration will be signified by means of the countersignature and return of this form, from which time the products will be Registered Products for the purposes of the Agreement, all the terms of which will apply to them.

Affiliates If the Applicant has subsidiaries and affiliates who wish to take advantage of this License (if granted), a list of the names and addresses of the subsidiaries and affiliates must be attached.

The Licensee warrants and represents (i) that each of the companies named on such a list is a Subsidiary or Affiliate, as defined in the Agreement, and (ii) that it is able to and will exercise proper control over the use of the trademarks by each subsidiary or affiliate named, in accordance with the Agreement.
