- ***Security Forum: email Ian Dobson - i.dobson@opengroup.org***

AGENDA

Monday, Nov. 16th, 1:00 – 5:00PM (Joint Session with RTES and Security Forums)

1:00 – 2:00 Introductions and Forum Overviews

- Confirm agenda items of shared interest, and confirm agenda slots when these will be addressed in joint meeting sessions. Shared agenda items include:
 - MILS: high assurance; target markets; applications
 - Secure Mobile Architectures
 - Reference Architectures for Security & RTES, to extend TOGAF
- Joe Bergmann/Sally Long RTES Forum
- Jim Hietala/Ian Dobson Security Forum

2:00 – 4:00 Parallel Sessions

- Extending TOGAF to meet Platform/RTES and Security Domains*
 - Overview of Objectives/Issues/Plan for Extending TOGAF to RTES – Ed Roberts
 - Overview of Objectives/Issues/Plan for Security Reference Architecture to extend TOGAF Security coverage
- *Hoping to get someone from The Architecture Forum and from the AADL environment to participate in the discussions.
- Overview and “Market Strategy” for Multi-Independent Levels of Security (MILS)
What is MILS? What is its value? Who are the target audiences? What is the message for each audience? What are the next steps for drafting and refining strategy?

4:00 – 5:00 Parallel Session Report Backs

5:30 – 7:00 Cyber Security BOF/Camp (Beer and Pizza Provided)

What is Cyber Security? Where are the pain points? Where are the pitfalls?
What do we know? What do we need to know? What do we (RTES and Security) have to offer?

Tuesday, Nov 17th, 9:00 – 5:00

9:00 – 9:45 RTES and Security Forums meet Separately

- RTES: Update on the Pocket Guide to Open Systems Architecture - a guide at the Executive/Management Level for Government and Industry
- SECURITY: General Updates
 - 09:00: Introductions & Welcome
 - 09:10: Industry News Updates
 - 09:30: Security Survey outcomes and further development

9:45 – 11:30 Parallel Sessions (Open to both Security and RTES):

- Continuation from Monday: Extending TOGAF to meet Platform/RTES and Security – This session will either be combined or separated as follows, depending on what members feel is best use of time:
 - 1) Extending TOGAF for RTES
 - 2) Extending TOGAF for Security
- MILS: Where are the APIs?
A small group for those interested in progressing work on the APIs, with facilitation and input from The Open Group on the review and approval process required to formalize the work.

11:30 – 12:00 RTES and Security Forums meet separately

- RTES: Recap of parallel sessions and Heading Check
- SECURITY: SOA & Security

12:00 – 1:00 Lunch

1:00 – 2:00 (Joint Session)

- MILS Applications: "Operating Room of the Future": Developing the concept as well as the strategic business value for RTES to invest time and resources in demonstrating MILS in a non-DOD setting such as the operating room.

2:00 – 5:00 (Parallel Sessions)

- RTES
 - 2:00 – 3:00 Continuation of APIs for MILS, a small group for those interested in progressing that work
 - 4:00 – 5:00 RTES 2010 Objectives and Execution Plan
- SECURITY:
 - 2:00: Automated Compliance Expert development
 - 2:30: Enterprise Web 2.0 Security
 - 3:00: Break
 - 3:30: Ecosystem for Security for SMGBs
 - 4:15: Trust Management & Classification standard – development

- 5:00: Close

Wednesday, Nov 18th, 9:00 – 5:00

9:00 – 12:00: Secure Mobile Architecture Working Group (Joint RTES and Security)

Deleted: 1

12:00 – 1:00: Lunch

Deleted: 11:00 – 12:00 RTES and Security Forum Sessions (Separate Sessions)

1:00 – 5:00: RTES and Security Forum Sessions (Separate Sessions)

- RTES:
 - 1:00 Discussion on RTES Strategy, Roadmap
 - 3:00 Engaging and Growing the Membership
 - 4:00 Wrap Up – Actions/Milestones/Schedule
 - 5:00 Close
 - SECURITY:
 - 13:00: Security commandments – Self-Assessment Scheme
 - 13:30: COA Framework standard
 - 14:00: Enterprise Security Architecture (ESA) Update standard
 - 14:30: XDAS Update
 - 15:00: Break
 - 15:30: Review security proposals in TOG's Cloud Computing WG.
 - 16:30: Update Roadmap, & Future Planning
 - 17:00: Close
-
