

THE ARCHIMATE® MODELING LANGUAGE MODERN COLOR SET

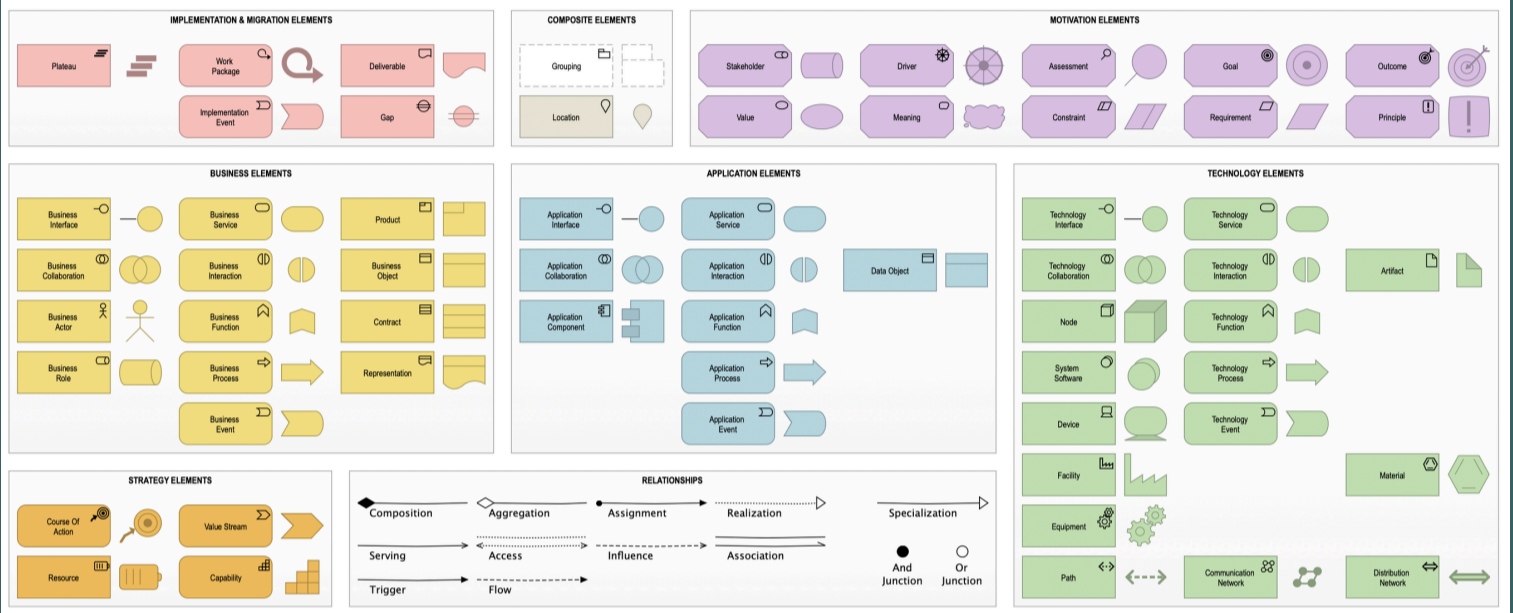

POLL PARTICIPANTS WANTED
TO SEE A MORE
CONTEMPORARY COLOR SET

The ArchiMate® Modeling Language has been a prominent modeling tool for 20+ years and was due for an updated publication color set.

THE *Open* GROUP

#EFBD5D Saffron Mango	#F4DE7F Jasmine	#B6D7E1 Pale Aqua	#C3E1B4 Fringy Flower	#D8C1E4 Languid Lavender	#E8E5D3 Satin Linen	#F8C2BE Tea Rose
-----------------------------	--------------------	----------------------	-----------------------------	--------------------------------	------------------------	---------------------

Required?

The ArchiMate® Specification does not have any color requirements. Adopt your company branding or just black & white.

Mandatory?

Only when a document is published by The Open Group

Encouraged!

Of course! We are excited about the new color set and would like to see it widely adopted.
