- 3.4.1. Redistribution of the Documentation, in part or in whole, is not permitted to anyone outside the Licensee, except that the Licensee may reproduce parts of the Documentation in its external literature for the purpose of furthering its work in the fields of risk analysis (for example, in Requests for Product, or in other information communicated to potential service providers or product suppliers) provided that all existing copyright and trademark notices appear in all such external uses of the Documentation.
- 3.4.2. In particular, contracting companies, consultants, resellers, and distributors, as well as non-employee individuals needing to use the Documentation in order to develop a risk analysis solution or product, or perform risk analysis work or service for or on behalf of the Licensee must obtain their own commercial licenses.
- 3.4.3. Where the purpose of the License is for providing training materials and related training services, redistribution of the documentation to training course attendees is not permitted unless by explicit agreement of The Open Group.

#### **4. PROTECTION OF THE OPEN GROUP'S INTELLECTUAL PROPERTY RIGHTS**

If the Licensee wishes to contract third-party companies providing services or individuals other than permanent employees to undertake its work using the Documentation, the Licensee must use all reasonable efforts to ensure that such third-party has a current commercial license for Open FAIR Body of Knowledge or the relevant earlier version (which it is legally required to have for its own commercial use). Notwithstanding the foregoing, in the event that there is a use by a non-licensed third-party, then Licensee has no liability.

#### **5. CERTIFICATION RESTRICTION**

- 5.1. The Licensee may not issue any certification that purports to be The Open Group Open FAIR Certification unless by explicit agreement with The Open Group.
- 5.2. For the avoidance of doubt, this License grants **no rights** over use of The Open Group certification trademarks and no rights to imply certified product, services or training courses that grant certification.
- 5.3. The Open Group operates The Open Group Open FAIR Certification and training course accreditation programs that enable companies training courses associated with the Open FAIR Body of Knowledge to make a legally binding warranty of conformance with training relating to the Open FAIR Body of Knowledge or FAIR. The use of such certified individuals or services is not a condition of this License. However, if deemed appropriate, The Open Group strongly recommends that such certification be required by the procurer of such training. Details of this and other certification programs of The Open Group can be found at: <http://www.opengroup.org/certification/>.

#### **6. TRADEMARKS**

Unlike rights derived from patents and copyrights, which provide protection for only a limited number of years, trademark rights can last forever; trademark rights can also be lost forever. The exclusive right granted in a trademark is usually lost as a result of careless or improper use, usually by allowing the mark to be used as generic or descriptive words for products or services. The clauses in this section governing the use of the Open FAIR trademark are inserted to enable The Open Group to preserve this trademark for the benefit of the community.

- 6.1. Open FAIR (the “Trademark”) is a trademark of The Open Group and other countries. This License grants **no rights** to the commercial exploitation of the Trademark.
- 6.2. When used to refer to the name of the standard covered by this License, the Trademarks may be used to describe the technology solution, product, service, or training course based on the Open FAIR Standard

However, the Trademark **may not** be used to brand or name a FAIR risk analysis solution, platforms, products, services, or training courses. Permission for such use may be obtained by separate agreement such as, for example, under The Open Group Certification or Accreditation Programs.

- 6.3. The Trademark must never be superimposed on or used in association with other graphics or logos.
- 6.4. The Trademark may not be used or in conjunction with domain names, business names, logos and similar usage without prior permission from The Open Group.
- 6.5. The Trademark must not be used as a noun or verb but always as an adjective followed by an appropriate generic term for which its use applies (e.g., Open FAIR Body of Knowledge, Open FAIR certification, Open FAIR risk analysis).
- 6.6. The first or most significant occurrence of the Trademark should be acknowledged using with the trademark symbol <sup>™</sup> (e.g. Open FAIR<sup>™</sup>). The Trademark acknowledgement is also requested on subsequent pages if the topic is different or if pages can be separated or appear independently. It is acceptable to use an asterisk in place of the <sup>™</sup> where the medium used (for example, electronic mail) cannot reproduce the <sup>™</sup> symbol. However, this does not authorize use of the asterisk as the norm.
- 6.7. All materials that include the Trademark must include the correct trademark attribution, "Open FAIR is a trademark of The Open Group in the United States and other countries." in the footnote or credit section of document, publication, product, or other communications. The attribution may be translated to national languages. Blanket or generic attributions, such as: "All trademarks are the property of their respective owners," are not acceptable.
- 6.8. The Open Group reserves the right to change its trademarks at any time, at its discretion.

## 7. INCLUSION IN LISTING OF LICENSEES

The Open Group reserves the right to include the Licensee Organization's name in a published list of organizations who have taken out this License found at

<https://www.opengroup.org/certifications/openfair/commercial-licensees>.

## 8. DISCLAIMER OF WARRANTY

The Documentation is provided on an "AS IS" basis, without warranty of any kind.

THE OPEN GROUP DISCLAIMS ALL WARRANTIES WITH REGARD TO THE DOCUMENTATION, INCLUDING ALL IMPLIED WARRANTIES OF SUITABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE. IN NO EVENT SHALL THE OPEN GROUP BE LIABLE FOR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES WHATSOEVER RESULTING FROM LOSS OF USE, DATA OR PROFITS, WHETHER IN AN ACTION OF CONTRACT, NEGLIGENCE OR OTHER TORTIOUS ACTION, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE DOCUMENTATION.
